

Mukthi Mantra

"Om Sri Sai Vasantha Saiesaiya Namaha"

Once a devotee from London was facing lots of problems and had asked Amma for a mantra to chant to help her. Amma prayed to Swami in the meditation. After meditation, Amma saw that Swami had written on a piece of paper on the altar '**Om Sri Sai Vasantha Saiesaiya Namah**'. This mantra appeared on 23rd May 1998.

Later in meditation, Swami said that the mantra could be chanted by all. It will help those who suffer from illness. Thereafter, Amma wrote the mantra in vibhuti and sent it to many who were sick. From then till now, the mantra along with prayers and vibhuti has cured many diseases and solved many problems. Swami said, "The mantra helps one to progress on the spiritual path and enjoy peace. It is the Mukthi Mantra. It is the cure for the triple diseases of body, mind and soul."

Swami said this is *Pancha-dashaakshari*, the 15-letter mantra.

In 2002 when Mukthi Nilayam Ashram was being built many obstacles arose at that time. Swami told the reason and He said, "You are asking for Universal Liberation. You chant the mantra daily and perform Prema yagna. This Prema offering will please the Devas and remove

the obstacles to Universal Liberation.”

As Swami requested, Amma performs Prema yagna everyday chanting the mantra. How powerful is a mantra that is chanted for Universal Liberation! Swami also said that whoever chants this mantra; Amma’s Prema and nature will enter into them. It will guide and help them. The world liberation that Amma desires, they too will desire.

From Amma’s conversation with Swami:

30 December 2003 Meditation

Vasantha : Om Sri Sai Vasantha Saiesaiya Namaha. How did this mantra come?

Swami : It is through your Prema that your name joined with the name of God. You are showering that boundless Prema, which can join God’s name with yours.

Vasantha : Swami, what is the benefit for others to chant this mantra?

Swami : Many diseases were cured through this mantra. How? In Brindavan, all are chanting Radhey, Radhey; so Radha’s nature enters into everyone. They will have Radha’s nature. Likewise, the nature of your Prema will enter all who chant the Vasantha Sai Mantra.

End of Meditation

‘Vasantha Sai e Saiya’ is Swami’s name. ‘Vasantha + Sai + Isa’, combine to become Vasantha Saiesaiya. God has a thousand names; this is one more.

As I am always crying for Swami, I wrote one song,

*Oh Saieswara! Sathya Saieswara!
Why do Your thoughts always enchant me?
With a bond that cannot be renounced
Why do You follow me?
Oh the One with the Garuda flag!
Are my cries Your lullaby?
Are my tears Your cool shower?
You have no compassion.*

Day and night I cried and lamented in this way. After intense yearning, Swami said, "We are Radha and Krishna. This bond makes you yearn and cry for Me. I too am not able to leave you. I am following you. This Vasantha Sai mantra has emerged from this bond."

Once in meditation Swami told Amma that this mantra is the Radha Krishna mantra, Shiv Shakthi mantra, Purusha Prakrithi ,Srishti mantra.

This mantra is the greatest proof for the truth of the bond between Swami and Amma. It shows that Amma is His Chitshakthi. She was born from Him and will merge back into Him.

The power of the mantra will remove the karmas of the world and bestow Universal Liberation. The five elements and the Creation will be born anew.

All devotees chant this Mukthi mantra, and feel the power of the mantra yourselves.
