

Viswagarbha

Sai Cosmic Womb

DEDICATION

Swami, Bhagavan, it is You Yourself who has told this book. After finishing the eight chapters, it is You who said,

“Enough, place it on the internet.”

Swami, I wanted some proof to obey Your command.

You then pasted a beautiful picture of Yourself

on the first page of ‘Miracle Maya’ part two translation and signed it. I now offer this at

Thy lotus feet.

I have nothing. I am only an instrument.

You please accept this.
